1m 1st middle school individual etc

1s 1st secondary school individual etc

Certificates for team placings and secondary individuals will be mailed out with these results.

Medals for middle schools individuals not collected will be mailed in the next few days along with a small plaque for each winning middle school donated by Harrow Sports Council.

We'll take on board the problems with athletes waiting at the start by tightening up the timetable next year. But schools should make sure that they arrive at least 20 minutes before their first race.
